SUBJECT: **FUNDING AUGMENTATIONS FOR VARIOUS DRUG/MEDI-CAL CONTRACTS**

This is to inform you that we plan to amend the County estimated maximum obligation and corresponding maximum allocation for various Drug/Medi-Cal (DMC) agencies using the delegated authority granted by the Board on June 10, 2008 (Board Agenda Synopsis #31). The agencies' agreements provide flexibility to adjust funding allocations, and contain provisions that authorize the Director of Public Health or his designee to make such funding changes.

The five DMC agencies requesting funding changes are California Drug Consultants, Inc. (CDC), New Beginnings Recovery Treatment Center, Inc. (NBRTC), Renew Integrated Program-2, Inc. (RIP), Sepulveda Rehabilitation Center, LLC (SRC), and Wilshire Treatment Center, Incorporated (WTC). CDC, NBRTC, and SRC are requesting to increase funding for Outpatient Drug Free Services (ODF). RIP is requesting to reallocate funding from Day Care Habilitative Services to ODF. WTC is requesting to increase funding for Narcotic Treatment Program Services. Alcohol and Drug Program Administration has reviewed these agencies' contract utilization and recommends approval of these requests.

I am recommending the funding increases based on the Sobky v. Smoley court litigation which allowed agencies to request additional funds to cover persons eligible for DMC services. The current and proposed funding amounts are as indicated in Attachment 1 (Description of the services affected by this amendment) and Attachment 2 (Agency's current and proposed funding amounts).

If you have any questions or need additional information, please let me know.

Drug/Medi-Cal Services - Description

Outpatient Drug Free Services (Federal Drug/Medi-Cal)

Outpatient drug free services include crisis intervention, counseling, and client referral services for people who are Medi-Cal eligible. Clients receive counseling at least twice within each thirty (30) day period.

Day Care Habilitative Services (Federal Drug/Medi-Cal)

Day care habilitative services are non-residential programs which provide counseling and rehabilitation services to people who are Medi-Cal eligible. Clients participate in scheduled, formalized services three (3) or more hours per day, but less than twenty-four (24) hours, throughout the day at least three (3) times per week. Program services are available for a minimum of six (6) hours per day, six (6) days per week.

Narcotic Treatment Program Services (Federal Drug/Medi-Cal)

Narcotic treatment program services provide for the administration of methadone and/or levoalphacetylmethadol, at relatively stable dosage levels for a period in excess of 21 days, as an oral substitute narcotic drug accompanied by ancillary social and medical services for individuals 18 years or older who have a history of two or more years of dependence on heroin or other morphine-like drugs, and two or more failures in alternative treatment programs. Services are provided to Medi-Cal eligible beneficiaries.
